1. Read 1 Corinthians 11:2-16. What questions does this passage raise for you? (If you don't have a long list of questions, you didn't read it closely enough.)
2. Based on your reading of this passage or on how you've heard it taught in the past, how would you summarize, in one or two sentences, Paul's teaching?
3. How do you explain the apparent contradiction between 11:7-10 and 11:11-12?
4. Why do you think most churches have not continued to practice what Paul appears to teach in this passage?
5. What is your biggest takeaway from this complicated passage of Scripture?
